- > Birthday Music
- > We Clean Up

◆ **Cost:** 10 or less children \$139+GST
On the party day, pay only \$10 per additional child on the equipment.

◆ **Duration:** 1 hour of gym time followed by 45 min. in a party room.

◆ **Times:** Sat. & Sun. afternoons

Annual Registration Options, Payment Methods & Policies

'Annual' Registration Package Options (Sept 1, 2017 to Aug 31, 2018)

Once per year, an insurance and registration fee is required at all levels. This is not the monthly gymnastics fee:

	Basic	-Or-	Plus	-Or-	Advantage
Annual Package Cost	\$39+GST		\$54+GST		\$64+GST
Insurance	✓		✓		✓
Achievement Awards	✓		✓		✓
Free T-Shirt					✓
Make-up Classes	\$5 Each at time of booking (Sun. & Wed. only to June)		Included (Sun., Wed. & Pro-D Days to June)		Included & Unlimited (Any Day + Pro-D Days to Aug)
Withdrawal Notice (Prior to the 1st.)	30 Days		7 Days		24 Hours
Free Birthday Party Attendees	1		3		5
Bonus Classes			2		4

Note: Plans Plus and Advantage are not intended to be used in conjunction with other promotional/discount offers. All registration and insurance fees are non-refundable. Chosen 'Package Option' is defaulted to 'Basic' if requirements of selected 'Payment Option' are not satisfied. Upgrading is permitted 60 days before last day paid for.

Payment Options

1. **First month's fees plus post-dated cheques or direct debit to June**, dated for the first of each month, are due at the time of registration. (Post-dated payments that are not for the 1st of the month, or are incomplete in series, require the first and last month to be prepaid and are non-refundable.)
2. Visa and MasterCard are only accepted for a lump sum payment from a student's start date through to, and including, June. *All lump sum payments are non-refundable regardless of payment method, however, class credit note is provided without expiration.* All non-present credit card transactions include a 2.0% administration fee. Debit cards are also accepted.
3. A single payment for a given month will be accepted with an additional 25% surcharge to hold future class placement. *Please note: Unpaid fees **past 7 days** of the current month's first scheduled class will lose their class placement.*

Trial / Drop-in Classes

A trial class must be paid for if the participant takes part in future classes, otherwise, payment is not required; to hold class space, notice of intention is required within 24hr of trial. Random drop-in classes are available at \$18 per hour - Casual registration fees apply.

Late Starters

Enrollment is continuous. Fees are pro-rated at the time of registration for those starting after the 1st of the month.

Discount & Incentives

A 8.5% discount is given for a single payment that covers Sept. - June - *all lump sum payments are non-refundable; however, full credit is given on account and is transferable to any child who has not taken part in classes no less than 10 months prior to the date of redemption.* Group rates are available for five or more - all group members must belong to the same organization.

Make-up Classes

Make-up classes, in accordance with the Annual Registration Package Option selected, are available for as long as a student is 'Actively Registered' (current month paid via Payment Options 1. and 2., but not 3.) and any missed classes have been reported beforehand via our website. All make-up class attendees must have signed up at the office 'in person' minimum 24hrs. prior to a scheduled make-up. Make-up no shows result in the loss of class owed. *Sorry, no phone reservations accepted except Advantage registrants.* If fees are owed, make-up classes are disallowed. **Note:** Missed classes are not refundable. See calendar on reverse.

Reserving Class Placement

Class placements that are reserved must be paid for regardless of attendance. Please advise office of any status change. In the instance of students wishing to change classes, waitlisted non-registered students are given priority.

Withdraws, Refunds & Credits

In the event of cancellation prior to the end of a month, class credit is provided. When written notice has been received via our website, *as per chosen registration option*, all remaining post-dated cheques will be returned or destroyed. Please visit www.victoriagymnastics.com to provide notice. **Please Note: Credit card payments are non-refundable, however, class credit is given. All payments are processed until written notice is received via our website.**

Please note: Credits are only honored when a signed credit note / gift certificate is presented - we do not keep a record.

Class Cancellations, Instructor Substitution and Changes

We reserve the right to cancel or change class times; in either case, notification will be given and classes rescheduled. From time to time, class ratios may be effected by a coaches' illness — every effort is made to minimize this occurrence. Such events may also necessitate a temporary substitute instructor for your child's class.

Class Dates & Fee Calendar 2017/18

Important: This calendar indicates –ONLY– the actual class days for which fees are assessed.

Monthly fees are based on 4 weeks of instruction except September and April in which classes are held for 5 weeks. All post-dated cheques are dated for the first of each month.

Why Victoria Gymnastics?

- ✓ Lowest student/teacher ratio in Victoria — guaranteed.
- ✓ Certified instructors with decades of experience
- ✓ We have an award program that is structured to be inclusive, individualized and non-competitive.
- ✓ Two convenient locations with plenty of free parking
- ✓ Our state of the art facilities are air treated and disinfected each evening.

Our Commitment:

To provide quality gymnastics instruction, with maximum activity level, in a well structured, fun and safe environment.

Structure of Programs

Programs are structured around three award testing periods. This skill testing frequency, and related routine construction, provides students, and their parents, an opportunity to receive feedback as they move through our proprietary Medallion Program at their own pace. For your convenience, fees are assessed on a monthly basis.

All class ratios are guaranteed at a maximum of 8 students per instructor (8:1 ratio).

Parent & Tot Ages 20mo. - 3^{1/2}

This program is structured to encourage parent/child interaction in a gymnastics environment. The parent(s) aid their children by providing spotting assistance and by helping to keep the tot focused. Parent & Tot and Kindergym classes are scheduled concurrently. This environment prepares tots for the eventual move to the independence of Kindergym. Tots experiment with movement by working on the progressions that lead to the basic movement patterns found in our proprietary Medallion Program. Circuits include the use of bars, beam, trampoline, spring boards, and floor. (8:1 ratio)

Kindergym Ages 3^{1/2} - 5^{1/2}

The emphasis is on fun and learning basic gymnastic movements and vocabulary. Safe physical development, attention to body placement and skills appropriate to the age group are stressed. Lessons are developed around our proprietary Medallion Program, Burgundy through Gold. Children develop confidence with elements containing rotation, landing, balance, flight, swing and spring. (8:1 ratio)

Recreational Ages 5^{1/2} - 12

Recreation programs are designed first and foremost to be fun. They also provide superior physical development (flexibility and strength), challenging activity and a measure of success and accomplishment for the child. Lessons are developed around our proprietary Medallion Program, Burgundy through Gold award system. Instruction is provided on all Olympic gymnastics events plus trampoline. Progress assessments are made every 10 weeks, followed by the presentation of medallions and routines. The club retains records on the progress of each student to assist in class placement in future sessions. (8:1 ratio)

(see calendar for 'Medallion' testing dates)

Birthday Parties

Activities:

Your child and a group of his or her friends will spend a fun filled hour in the gym swinging from bars, climbing ropes, bounding across our spring floor, bouncing from either our 40ft. long tumble trampoline or our 'in ground' high performance trampoline into a massive landing pit full of foam cubes all the while performing skills and playing a variety of games that are age and ability level appropriate. During the party, parents and non-participating guests are encouraged to join the party from the sidelines for video and still picture opportunities. After the hour of gym time, your group will move into the private party room where the fun continues. It's at this point when the parents take over the festivities. Parents are invited to use their creative ideas for food and activities during this time.

Party Coordinators:

A NCCP certified party coordinator and a helper will lead the way to a special birthday for your child that is full of smiles and laughter. One will stay exclusively with your group for the entire hour of gym time while the other will act both as a host coordinating the days activities and as a intermittent coach.

What we supply:

Invitations, a t-shirt for the birthday child, a large party room, table and chairs, table cover, hats, napkins, decorations and balloons overhead, microwave, fridge and a sink.

What you supply:

Food and drinks of your choosing, plates, cups, cutlery and whatever else you please—no piñatas or nuts please.

Holiday Camps

Our 3 hour long, 5 day holiday camps provide an excellent opportunity for your child to advance their current skill repertoire; The extended time on each apparatus will ensure that students gain more experience in preparation for the next scheduled testing (*see calendar*). As a testament to the intensity of the camps, it's often the case that parents comment on how well exercised their kids are at the end of each camp session.

When: During Christmas Holidays (Dec. 26-29 & Jan. 2-5) and Spring Break (Mar. 19-23 & 26-30)

Who: Kindergym (3.5yrs) through to Advanced Rec. (17yrs)

Cost: \$143 +GST (cost pro-rated for camps less than 5 days)

A non-refundable fee of \$20.00 + GST is required at all levels of membership for insurance and 'Casual' registration status.

Note: This fee applies to non-members only.

Snacks: Students are encouraged to bring a small snack and drink to each day of camp (*no nuts please*)

Performance A Ages 5-8

The experienced 5 - 8 yr. will benefit from a greater emphasis on skill refinement. Entry is by invitation after taking part in our annual testing. As a skill standard, all Performance students can lift their legs to a bar from a hanging position. These students will take part in award presentations, displays and other promotional activities. 2x

Purchase of display attire may be required. (8:1 ratio)

Performance B & C Ages 8-16

Children are invited into this group based upon the results of our annual testing; as a standard, students in this program are able to demonstrate a stable round-off. This program involves a more enriched and intense gymnastic workout where skill execution is emphasized. These students may eventually be invited into one of our higher level programs. It is required that these children attend a minimum of two times per week. More frequent training sessions provide the necessary repetition the gymnast will require to maintain this skill level. Performance students, who attend two times per week, are invited to take part in mall displays, parades and other promotional activities.

Advanced Recreation Ages 9+

These programs continue to emphasize fun and physical development with a greater emphasis on skill progressions for advanced gymnastics. Students follow our proprietary Medallion Program. With the advanced nature of the skills performed, two classes per week are recommended, although the option of one class is available. (8:1 ratio)

Teen Gym Ages 13-17

An introductory course for teenagers with little or no previous gymnastics experience. Classes are scheduled concurrently with 'Advanced Recreation' so that beginner teens will be with gymnasts of similar age. The program format is identical to the Advanced Recreation class; Medallion Program assessments are made as per this brochure calendar. (8:1 ratio)

Adult Gym Ages 18+

Whether your goal is to learn beginner level skills such as a handstand, cartwheel, handspring or to reestablish the ability to perform previously learned gymnastics skills, the breadth of this program facilitates all ability levels and objectives. Students are divided into groups of similar experience and learning objectives. Emphasis is placed on floor exercise and trampoline skills. By attending classes twice per week, the stretching and strength training in each class will provide the physical preparedness gymnastics requires. (10:1 ratio)

Home Learners Ages 2-Teen

This class time has been exclusively reserved for registered home and distributed learners to facilitate a non-competitive environment where the gymnastics curriculum is taught without regard to a skill acquisition timeline. Our Medallion Program rewards students at all stages of achievement (i.e. a medallion is awarded for 0 to 60% completion of any of the 14 progressive levels). (*See calendar for assessment dates*) This is a rare opportunity for home learning children to take part in an activity that is conducive to the home learning philosophy. (8:1 ratio)

Daycare & Schools

The objective of this program is to provide an affordable quality gymnastics experience for daycare and school organizations. Although it is recommended that students take part in the 'Achievement' Medallion Program, not all groups may want to attend the required ten classes. Groups who do not wish to take part in the medallion program will be instructed according to the same curriculum as those who do. A 10:1 student/teacher ratio provides a lower cost without sacrificing the quality of instruction — care providers are required to assist our instructors with children who are 3¹/₂ or less at a 5:1 ratio

Pre-competitive & Competitive

Each May, a news letter will be sent out inviting selected students to take part in our trials for entrance into the Performance (ages 5-16), Pre-competitive (ages 5-7) and Competitive (ages 6-17) programs for boys and girls. There are several groups of each category. The main objective of these programs is to provide students with an opportunity to maximize their potential while maintaining the highest quality of all other programs listed in this brochure. We do not support any coaching styles or training methods that do not contribute to the psychological development of the athletes. A competitive brochure is published separately. Parents of competitive athletes are required to join the Victoria Gymnastics Parents Booster Group - a non-profit organization whose primary function is to fundraise in an effort to lessen the financial burden of meet fees and travel expenses.

Achievement Program

Our 14 colour/level 'Medallion Program' has been modeled after the national system. The actual medallion is gold in colour while the colour of the sticker represents progress being made. Each time your child receives an award (Step 1, Step 2 or Mastered) he/she has the opportunity to either:

- advance within a color/level or
- move on to the next color/level.

Within each level, there exists an average of 100 gymnastics skills that are distributed among the floor exercise, rings, vault, parallel bars, uneven bars, high bar, trampoline(s), pommel horse and balance beam. These skills progress in their complexity as students master each successive medallion.

The percentage range represents the total number of skills that have been successfully demonstrated to an instructor. Once your child has mastered a level, he/she will begin working on the next level up and, upon the next testing session (3 per 10 month session), a new medallion will be issued. The medallions progress in difficulty as follows: Burgundy, Red, Tan, Bronze, Purple, Blue, Turquoise, Silver, Orange, Yellow, Green, Gray, White and Gold.
