Summer Programs

For those students who are interested in increasing their skill base over a short period of time or a more intense training opportunity, our summer programs provide longer class times as well as week long sessions. By attending just one camp, this concentrated gym time will provide your child with a 'jump' on his or her skill development. For example, a summer camp (15 hours total) is the equivalent of three months training time (1.25 hrs. X 4 classes X 3 months = 15 hours) at 30% less cost.

There are two options available:

1. Attend any number of the eight week long camps that run from 9 - 12pm or 1 - 4pm, Monday through Friday.
2. Follow a similar program as the current session and attend once or twice per week on Tuesday, Wednesday, Thursday, or Saturday mornings.
(see our summer brochure or web site for further details)

September Program Schedule

Due to changes in the elementary school system, we have added some additional class opportunities and modified a few class times to accommodate these additions. Fall brochure will be available June 1st

Last Opportunity(s) for Make-up Classes

Because of the large number of make-up classes not yet completed, the additional times of Sunday, June 27st. at 8am and Wednesday, June 30th. at 11:30am & 5:30pm will serve as the last opportunities for missed classes. Students must first sign up in the book located outside the office window.

Awards Week

June 6th-12th — Bring Your Cameras

Throughout the awards presentation week, parents are invited to attend the last ten minutes of classes. Your child's group will be called to a podium where her/his coach will present a medallion to your child and the other group members. After all the members in your child's group have received their awards, a round of applause is given. Once all groups have received their awards class will be concluded.

Does your child have a STEP 1 or STEP 2 Medallion? If so, please bring it to class during awards week (June 6th-12th) for the application of the next level's sticker — mastered medallions are not required.

Note: Please be sure to place your child's name and phone number on the sticker located on the back of the medallion.

Last Week of Classes

As per the current brochure calendar, the last week of classes is June 27th. to July 3rd.
